

## CHAMPS STUDENT PLEDGE

CHAMPS students shall pledge to abide by the following Code of Conduct:

I accept responsibility to be fully aware of all provisions of the CHAMPS Student/Parent Handbook.

I agree to abide by all the CHAMPS policies and to follow the directions of the administrators, staff, and instructors of the school, and to abide by the decisions of the Student Honor Court.

I recognize that this is an academic institution and that I am here to learn; therefore, I will make my academic commitments my highest priority, above all extracurricular and social activities.

I agree to abide by the CHAMPS Academic Integrity Policy, and I agree not to cheat, copy, or plagiarize on any assignment or exam, and I further promise not to help anyone else cheat, copy, or plagiarize.

I recognize that honesty is necessary in a healthy society, so I will be honest in all my dealings with administrators, staff, instructors, and other students.

I will treat others with respect and courtesy. I will settle any dispute in a reasonable manner and will not resort to, nor encourage, violence. I will also show respect for the property and physical environment of others, the school, and the community.

I will attempt to be positive in my outlook and conduct, because I recognize that I influence others by my behavior.

I understand this pledge, and I agree to abide by its contents and principles. I acknowledge that breaking my word and failing to keep faith with my pledge will lead to serious consequences, which could potentially go so far as to result in suspension from the school.
